Would Turn Into Blotches. Caused Disfigurement. Had to Keep Arms Wrapped Up. Used Cuticura Soap and Ointment. In 2 Months Well.

46 Wight Place, Springfield, Mass.— "My baby had pimples on his face and arms and they would turn into blotches. They caused disfigurement while they lasted and they itched, for he would scratch till he would bleed. When he scratched, wherever he put his hands afterwards on his face or arms, other pimples would appear. Nights he woke up crying and I had to stay awake with him to warm water and bathe him. I had to keep his arms wrap-ped up most of the time on

account of his clothes. "I used a number of salves and other emedies, but none did any good. Then I read about Cuticura Soap and Ointment and thought I would try them. The whites were disfranchised because of their part in th war, and southern states were governed by a combination of newly franchised negroes and carpetbaggers from the north whose main object was loot. How the whites of the south regained control of the country is one of the most dramatic passages in our history.
